8. X Factor's real unsung hero

You won't have ever seen this guy on *The X Factor* before as he does his thing before the cameras start rolling, but let us assure you that the show wouldn't work without him. It's the warm-up guy that keeps everyone entertained in the long build-up to the live show, as well as during every ad break.

He had us in stitches with his inappropriate jokes in between handing out *X Factor* merchandise and winding up the judges. He's called [Gavin Inskip](#) – ITV, you need to give this guy some air time...

***The X Factor* is on ITV, Saturdays and Sundays.**
